ZETA, YOUR PARK LANE HOSTESS, INVITES *YOU* TO LIE BACK & ENJOY IT...

SHEILA SYKES WOULD ONLY LET PARK LANERS SEE HER SECRET HOLIDAY SNAPS!

Park Lane was very flattered that ex-Page Three-er Sheila should let *us* dive into her album of horny holiday snaps – her confidential, private collection – and so enjoy this steamy start to your latest *Park Lane.*

And the even better news for Park Laners is that Southampton-born Sheila (who, more often than not, nowadays finds herself in the torrid Tropics on advertising assignments etc.) has let us showcase *more* of her fella's funky camerwork in our Spring and Summer 100-page 'special edition', compiled in conjunction with our chums at fortnightly *Parade* Magazine.

So if this sun-kissed cavalcade of Sheila gives you the urge for more high temperature turn-ons, ask your newsagent to keep the great Park Lane-Parade *Spring* and *Summer Specials* for you or, even better, mail the confidential reservation in Sheila's steamy slot and let Park Lane's own mail order lovelies look after your needs!

YES, MAKE SURE MY TEMPERATURE SOARS, PARK LANE
Post to: Park Lane Mail Order/Box 171/London E.11
Please send me your Parade-Park Lane *Spring* and *Summer Specials* the moment they land.

And if this *taste* of this trio, getting to know all about each other's oh-so-lovable in's-and-out's, puts you in the mood for an all-girl *orgy,* you can see this throbbing threesome (and many more twosomes, threesomes, foursomes and moresomes) in uncensored action in Park Lane's stablemate, *Groupies* which is utterly devoted to showcasing gang-bangs and partying girls.

Look out for it where you grab *Park Lane* or, if you can handle a deluge of groping groupie girls, simply mail the reservation below, and *Park Lane* will ship you three, yes, *three* throbbing issues of *Groupies* all at once!

Here's the address for this coupon: Park Lane Groupies Offer Box 171/London E.11

COME RAIN, COME SHINE, YOU WON'T FIND PARK LANETTE SALLY YOUNG WITHOUT HER SUSSIES!

Not a lot of girls are entirely committed to turn-on undies, and the mere thought of stockings and sussies under the relentless Spanish sun can shock even the sexiest and steamiest girls, as guys know only too well.

But 21 year old Lancashire born Sally won't have any of that nonsense, and here you see her proving the power of black stockings and suspenders even under blistering Iberian rays.

And somehow, these naughty nick-nacks from Park Lane Editor Zeta's *own* Lingerie Catalogue have even more pulling power when they're hot'n'clammy, don't they?

So do yourself a good turn-on this year *before* you head for the Costa del Wotsit – make sure 'er-indoors has the chance to chew over all the irresistible and often kinky finery in Zeta's Undies Brochure.

Normally, this full colour catalogue is £5 but insiders (and that includes Park Laners) need only include £2 with the priority coupon nearby towards the postage and packing of this breathtaking brochure, where Britain's top glamour stars model Zeta's own, hand-picked range of raunchy undies.

THE SPORT
I GET IT EVERY SUNDAY, WEDNESDAY AND FRIDAY!

ZETA, HOT FROM SWEATING IT OUT FOR *SUNDAY SPORT,* WELCOMES YOU TO PULSATING PARK LANE 27...

'Yes, despite my hard work day and night promoting new three-times-a-week newspaper, *The Sport* (yes, Sunday Sport's now got two bedmates during the week, too) I've still found time to pursue my favourite, horny pastime, that is putting together pulsating *Park Lane* where so many of my famous glamour star bosom chums prefer to air their talents, full length, rather than in our seedy rivals.

Mind you, that's not to say they hold anything *back* when it comes to putting their best parts forward as you'll know by now, having got the measure of my latest Park Lanettes – well, sixteen steamy pages of 'em so far, with lots, *lots* more to come. And the same thing goes when they have *video* fun with me.

'Yes, apart from strutting their stuff in *Park Lane's* picture pages, I've also got a lot of 'em to let their hair down on my latest video showcase. A lot of folk who've seen it can't believe how my gorgeous gang and I have got away with so much, and do check out *Zeta's Video Show Number II* for yourself if you haven't done so already, and could do with some truly adults-only, late night video fun on *your* telly.

'You'll see a private and confidential coupon nearby, and it would be great to get it together with you on intimate video, after you've savoured all the sensations in store for you in better-than-ever *Park Lane* 27...'

Love,

Zeta

Your Invitation To...

THE PARK LANE NYMPHOMANIACS' CONVENTION!

Girls who live near Park Lane's namesake street in London's West End really know how to live and lust it up, as you'll discover (as if you didn't know already) from Tracey Wick's wild account of a Divorce Celebration Party she went to recently, in a sprawling mansion block in London W.1. And, naturally, her bosom chim, Penny, went with her to this kinky get-together where the big event – and we do mean *big* – was aptly named Billy The Bull. Anyway, don't let us reveal *too* many of the meaty moments too soon, in Tracey's tell-all account of life and lust near London's poshest thoroughfare...

‘I knelt between Penny’s legs’

RAFFLES DISCOTHEQUE
Andy H

THE PARK LANE NYMPHOMANIACS’ CONVENTION!

Sarah was getting divorced, and was throwing a Hen Party to celebrate the event.

Fingering my invitation, I said to my dear, randy flatmate Penny: “D’you think we should go?”

“Why not?” she said, combing her long blonde tresses.

“Well, hen parties aren’t much fun, I would imagine,” I said. “Just a lot of booze and dirty talk. That’s unless you happen to fancy your own sex. Which I don’t much.”

“Oh, thanks, Tracey,” she cried sarcastically. “Much obliged, I’m sure. Ta ever so.”

“Present company excepted, of course,” I added hastily.

For Tracey was remembering the incredibly steamy session she and I had had together when, the previous week, we had both got pissed at home and behaved (at least I had) in most uncharacteristic fashion.

“I should think so,” Penny said. But the grin with which she said it told me she bore me no malice. “I never thought you had it in you, Tracey. The fantastic way you licked my cunt. Better than *any* man.”

“I surprised myself,” I said. “I’m strictly a man’s girl normally. But we did get Brahms and Liszt. And you were *so* juicy. Hey, what are you doing, Penny?”

“Doing? What do you think I’m doing?”

She had thrown one leg over the arm of her chair, and her right hand was inside her panties. “Remembering, *that’s* what,” Penny declared.

She had partly pulled her knickers down, and I saw the chink of her vagina between her fingers, and the damp flesh inside the crease of her bottom. “No, but seriously –”

“No, but seriously *yourself,*,” she retorted. “I need an orgasm. Won’t you help? Come on, you did it last week.”

“Oh, all right.” And for the moment Sarah’s hen party was forgotten as I knelt between Penny’s legs and began oralising her.

She threw her hands back behind her head and brought her legs up. I licked her hard little clitoral bud, cupping the cheeks of her bottom in my hands. The girl wanted an orgasm, after all, and what are friends for?

“Push it right inside me,” she gurgled. “I’m a filthy little trollop and I deserve to have my bottom smacked. Fuck me, Tracey, fuck me. Oh, yes, I’m coming!”

The rest was silence, or rather heavy breathing, as I lashed her with my tongue to the orgasm she craved. Her salty juices sprayed my mouth and ran all over her thighs.

“Was I all right?” I asked prosaically.

“It’ll do to be going on with,” she said and grinned, then fetched me a whack round the bum. “Yes, of course it was all right, you bone-beaded twit. It was out of this *world,* if you want to know. For a girl who doesn’t fancy her own sex, you sure know where it’s at. But I’ll tell you a secret. Shall I tell you a secret, Tracey?”

“Tell me a secret, Penny,” I said with the greatest solemnity.

“I could follow it up with a good strong cock,” she said and closed her eyes dreamily. “Seven or eight inches of throbbing power to shove in my crack. A nice man with a

THE DIARY OF A PARK LANE RAKE

HORNY HUGH GETS THAT HUNTED FEELING!

Every month in unstoppable *Park Lane*, the rich layabout we all secretly envy, Hugh Mortimer, reports on his latest conquests and close encounters with beautiful birds from his base just off London's Park Lane.

Yes, good-for-nothing-except-nookie aristocrat Hugh was born with a silver spoon in his mouth and a permanent throb in his pinstripes and can't stop pulling'em – game-for-anything lovelies that is, with an eye to the main chance when it comes to dosh, ackers, moolah... And this time, we discover horny toff Hugh is in danger of being hooked by at least one horny hanger-on. In danger, yes, but it all comes right in the end!

Connie lay beside me like a contented sex kitten, her face set in a happy smile.

Connie, my regular flame, who loves me dearly, is ultra-possessive, wants to marry me and all that. And because I keep putting it off, takes her displeasure in glamour modelling, making blue movies, and generally putting herself around!

Connie's a sexy lady with a lower middle class mind: respectable, yet highly sensually charged. My refusal to walk her up the aisle gives her, she says, the perfect excuse for her lifestyle. And, to be fair, Connie is really *good* at it and, I suspect, makes as much tin as my old school chum and employer, Percy D'Eath, at his Park Lane–based advertising agency just around the corner.

Connie's eyelid flickered, and a shapely leg came snaking over my waist. She opened both eyes fully, put her hands behind her neck, licked her lips wickedly, and said, "Well...?"

When Connie's in *that* mood, there's no stopping me. I grabbed her roughly, the way she likes, and we moulded into each other as only two partners who *know* each other's bodies very well can do.

It's amazing: Connie never ceases to attract me, to make me rampant. Connie's smart; she can mix in all kinds of company; she is loyal (well...she *could* be): so Connie adds up to the 'No: 1 Wife' a man like me could really wish for.

Well, what's stopping me? I hear you ask?

Two things: the first is a feeling that once we were legally tied up she would revert to type, forget to be so

'Connie is really good at it'

THE DIARY OF A PARK LANE RAKE

sexually motivated and therefore cease to interest me so much. She would have a wandering husband, and I would have a shrew for a wife.

And then there is the thought of leaving my flat around the corner from Park Lane: my bachelor pad where I entertain many more ladies than just Connie. What a pity to become an old married man before I'm 75!

Right now, these reservations were put on my mental back burner as Connie went into action. Her breasts swelled with excitement as they rubbed against my chest, her cunt closed on my core deep inside her as Connie's pelvis wriggled as smooth as the engine of a Rolls.

Connie knew she had me. She played me like a fly fisher does an awkward salmon: growling, aggressive, then wifely, pliant, and submissive.

She switched on 'hot' and 'cold' and 'just nice', like one of her stage performances, and I loved it. As my banks burst for the umpteenth hundredth time into her canal, I made up my mind. Dammit, it *was* time to marry!

Passion slowly subsided like a great wave breaking far out from the beach and rolling gently in through the shallows. Connie fixed me with those spaniel – sexy eyes, her magnificent body heaving with satisfaction.

"You are going to ask me to marry you, Hugh, and the answer is 'Yes'. You do not want me to stop modelling, *and the other things*, because you are one of those people who need that sort of challenge. You want me to keep my looks and figure and not become a frump. You do not want children for a long time to come. You also want your own space...Well, you've got them all. The only thing I will not tolerate is other women because that does not turn *me* on," she declared.

A wicked smile creased her face: one of triumph. "Shall we say Easter? That is three months from now..."

I nodded.

"I'm sorry, I can't hear you...*LOUDER*," she said.

"Yes!" I gasped, as her hand tightened around my balls.

Later, in the office they were concerned about me. So much so, that dear old Perce called me in for a Pimms and a pi-jaw.

"Er, Hugo, old bean, I suppose it *is* Connie?" he asked.

I nodded.

"And you've given in. You are to marry?"

I nodded again.

"For a fiancé of less than two hours duration you appear a touch less than ecstatic," he opined.

"Well, I suppose it had to come sometime."

"Yes, I suppose so, but your Connie is hardly a gel to be ridden in a double bit."

"Oh, I don't know. It depends if she's working!"

"Er...yes, which brings us to the main point. What is Brigadier Buffy Mortimer going to say when acquainted with the news that his only son and heir proposes matrimony to a...to a...well...?"

I telephoned Papa with the news. There was something of a terminal silence, then, "Come down this weekend!" And then he hung up.

Reeves, the butler, shooed me through to the study where the Old Man was warming his backside to the fire, deep in thought, twisting a goblet of brandy around in his hand.

"Do not say 'Good Evening' because it is not, and I shall not ask if you have taken leave of your mind because the question is redundant. Some Mortimers have died of the pox, some have been hanged, others have had other people hanged. Among your ancestors are people who have made fortunes and lost them. Gentlemen, and absolute scoundrels...*but nary a one has ever married his mistress!*"

"But I have a regard for Constance far and above any feeling I have had for any other, father," I replied timidly.

"Hugh, will you please stop sounding like Thomas Trout in *Bless The Bride*. You have just confirmed my point. 'Feelings', as you call them, are for *mistresses*. A wife is a business partner, with no equity: someone you see occasionally, and service, take to Ascot and to the most boring house parties, but otherwise meet for breakfast with a solid ten yard oak table-length *between* you, twice a week, and before Sunday matins."

I went to bed pained but risingly relieved. What I did not want to lose was Connie's sexual favours. *That* was what all this business was really about, I told myself.

At about seven in the morning father came stumping into my room in his 'pink'.

"Going hunting, sir?" I asked.

"No, no, no. Just awf to play bloody ping pong!"

"Er..."

"Thirty minutes, be ready downstairs, fully shitted and kitted..." he ordered me.

And he clumped out, nearly taking the bedroom door off its hinges.

At the foot of the grand stairs a vision turned and smiled, in immaculate boots, breeches, and black jacket, with a snowy white stock settled under a pert chin.

Her blonde hair had been neatly tucked into a hair net, and she posed, one knee bent, lightly drumming her 'cosh' into the palm of one hand.

"Hugo? Sheila Harrington-Saunders," she announced herself.

"Don't stand there goggling man. Haven't yer seen a good lookin' filly before?" roared the old man, giving her arse a playful smack with his stick as he passed between us down the front steps where the huntsman and followers were waiting with hounds.

"They've given you Old Softie," said Sheila, clambering on a thoroughbred roan a hand and a half shorter than my mount. "Don't worry. He'll take you round OK. Just leave his head alone at the sticks, that's all."

"Gel's competed at Badminton," snorted a paternal voice in my ear.

"Has she? Prefer squash myself."

"My," said Sheila, her eyes dancing, "We are very funny this morning...or very fucking clueless!"

Her eyes blazed like a polished steel trap. Nobody can say 'fuck' better than a well-bred English girl, and no woman can usually fuck *worse*.

I stayed on. Old Softie lived up to his reputation. I felt Sheila thawing out as she galloped alongside, nodding with approval as the rust began to wear off my horsemanship.

"Do you really play squash?" she called out, as we unsaddled in adjacent boxes.

"A bit."

"Well, we have a court. Why not come over after breakfast tomorrow?" she asked.

She wore the briefest squash short imaginable. They were hot pants,

BIG BABS IN PARK LANE!

How The New Year Bounced In For Bra-Bender Babs!

Until now, Bouncing Babs, whose horny diary has been thrilling Park Laners for six months or more, has kept very quiet about how her cleavage and other outsize assets saw in the New Year. But now her seedy secrets come out in a rush as Park Laners' bra-bending countrygirl with a gift for words (and unlike her boobs, she doesn't *tell* whoppers), gives us the lurid low-down on how she sought consolation in London's Trafalgar Square New Year throng. And in the end, as you'll discover, our bra-burster kept her end up, and really ended up getting *more* fun than her fill of funky New Year's Eve fun!

Barbara – known as 'Bouncing Babs' to her friends because of her huge but firm breasts – lives in a penthouse flat in London's Mayfair.

Since leaving the small village in the country where she was born, Babs has sampled just about every aspect of sexual delight that London has to offer. And she got herself a nice little gift for the New Year, too.

At first it looked as if everything would go wrong. And then it turned out to be okay – more than okay, as a matter of fact.

My rich uncle had left me a huge penthouse flat in Park Lane, and fans of mine will know by now just how much use I've made of it. I've had more sexual experiences than hot dinners. I've met some fabulous new poeple, and I've become bisexual. Not bad in six months for a little farm girl from the country, is it?

Well, last Xmas itself was wonderful. Lots of people came round, and we had lots of fun, and yes, there was lots and lots of sex.

I remember at one stage, Trish, who lives in the flat below me, and I were in the kitchen, and I was spread back over the table, my skirt up, my panties down round my feet, and she was doing something really interesting to me with a cucumber.

But enough of that. I'll leave that little story to some other time. Right now I want to tell you about New Year's Eve, and especially New Year's *Day*.

I had been invited to a New Year's Eve party by Norman, and he said he was inviting everyone I knew, so I didn't make any other plans.

Then, at the last moment, Norman went and got sick, and other people dropped out, and then someone *else* was sick, and then someone had to go overseas on business.

Well, what with one thing and another, people, through no fault of their own, were sort of vanishing into the mist, and the end result was that on the morning of New Year's Eve, I was on my *own*, and there didn't seem any likelihood of that situation changing by nightfall.

I hate being on my own on New Year's Eve, for it has always been my contention that a girl should get fucked as soon after midnight as possible on New Year's Eve, and this is guaranteed to make sure that the New Year will be a good one right the way through.

So, there I was, on New Year's Eve morning, in my penthouse flat, and feeling lonely, with no friends around.

And I was feeling randy.

Okay, so regular readers of my little pieces will know that I feel randy just about *all* the time. But usually there is a man, or at least another woman around, so I can take care of that feeling.

However, a girl like me never gives up, and I decided that later that night I would go along to Trafalgar Square and join in the annual festivities there.

There are always thousands of people gathering in the Square on New Year's Eve, and I thought if I went along it would take care of the lonely feeling.

Okay, so I know that even in a huge crowd you can still feel very lonely. But it's better than nothing, and anyway, I wasn't feeling *that* lonely. I just wanted to be with people on that very important night.

Of course, it was still only mid-

morning, and like I said, I was feeling randy. Well, there was something I could do about that, and for a moment the thought went through my mind about using my vibro or dildo. But then I pushed that thought aside. I wanted to feel *real* flesh inside me, and the only way to get that was to finger fuck myself.

I sat on the edge of the bed, and those huge breasts of mine, of which I am so proud, were heaving up and down with anticipation of what I was going to do with myself.

My nipples were also rock-hard, and for a moment I considered lifting one of my breasts up and sucking at a nipple to give myself some pleasure, but then I shook my head and decided that fingering myself would do the trick. And in any event I much prefer sucking my own nipples when someone is *watching* me. That gives me a much bigger thrill than doing it on my own.

So, I sat there with my legs splayed open, and I could feel my juice bubbling inside me as I reached down with my right hand and started to finger my pussy lips.

As soon as my fingers touched my labia, I started to shiver with lust. Yes, that's how randy I was feeling at that moment – just one touch from my own fingers and I was shaking all over like a teenager having her first sexual encounter.

My nipples throbbed, my breasts heaved, my clit grew hard and rigid, and my fingers rubbed, then I felt my labia pout open and drops of love juice sprinkled over my fingers.

That juice felt very nice on my fingers, and I lifted my hand from my pussy for a moment, and licked the tasty drops from my fingers. Next, I put my hand back down between my legs and then slowly, carefully, inserted two of my fingers into myself, and pushed them as far up into my love hole as I could reach.

That produced an orgasm in about a minute. I shuddered and gasped, then threw my head back and yelled at the top of my voice, for when Bouncing Babs has an orgasm it really is an orgasm.

'That climax took care of my immediate needs'

That climax took care of my immediate needs. But I still carried on with my fingers to give myself even more pleasure.

I worked my fingers in and out, feeling them rub against my ribbed pink pussy walls. My juices flowed, my orgasms came and went, and my body shook. It was, you might say, a very nice masturbation session.

It lasted about fifteen minutes in all: fifteen minutes of sexual pleasure, then I slowly pulled my probing fingers from my pussy.

Those fingers of mine actually sparkled in the light, for they had lots and lots of pussy cream sticking to them.

I then walked about the flat doing odd things like washing up, etc. Yes, I sometimes do it myself. I did it in the buff for the simple reason that I do like my breasts – my huge breasts – to jiggle and sway and bounce as I move. This gives me great pleasure.

What with one thing and another, it soon turned out to be eleven o'clock at night on New Year's Eve. So I bundled myself up in some warm and waterproof clothing, and made my way down to Trafalgar Square.

There was music; there were bands; there were people dancing; there were people singing and clapping and just talking – lots and lots of people, all having a good time, all looking up at the clocks, all waiting for the stroke of Midnight, all waiting for that magic moment when a New Year would start.

I moved through the crowd. People were very friendly, and I stopped and spoke to some of them, had a beer with others. And although I was on my own, I didn't feel lonely, if you get my meaning.

I have always kissed *someone* at the stroke of midnight on New Year's Eve. I always make a point of that. Not to kiss someone would mean bad luck for the rest of the year. Okay, so I know I'm silly, but that's the way I am.

Also, fucking is better than kissing, and to be honest, as I made my way through the crowd in the Square, I was on the lookout for a good looking man to kiss, and maybe...

'Come and have a suck,' I said'

It got nearer and nearer to the magic hour. I was getting desperate for a man, and then, as the first of the chimes started, I decided to kiss the nearest man to me as the first *bong* clanged out.

I just turned to the nearest guy to me, called out "Happy New Year, fella," threw my arms round him, then plonked a huge smacker of a kiss on his lips.

"Hey, thanks," he gasped, when I pulled back. "But what about my mate, Henry?"

I looked at the man next to the one I'd kissed, and threw my arms round him, and kissed him too.

"Hey, you are really something," said Henry.

"I'm Peter," said the first man I'd kissed.

"I'm Babs, and I hate being on my own on New Year's Eve," I said.

The two lads looked at each other and smiled, and I managed to take a step back and look at them. I liked what I saw, and I had also liked the way they kissed me.

Henry was the taller of the two, about twenty seven years old, with short hair, a nice square face, and powerful shoulders. He was wearing designer jeans, a huge wollen muffler, a thick knitted sweater and carrying an umbrella – ready for just about anything.

Peter was slimmer, with light hair, a rather thin face, but lovely eyes. He was wearing a light blue suit, and was also carrying an umbrella.

All in all they were two very good-looking boys. Both were about the same age, both had nice eyes, and both could kiss.

"What do you do?" I asked.

"I'm a trainee accountant," said Peter.

"I'm in insurance," said Henry.

"A bit old to be a trainee," I suggested to Peter.

"I keep failing my exams," he said. "I like going out at night, don't do enough paperwork to pass all the exams."

"I'm a lady of leisure," I said.

"What do you do for leisure then?" asked Peter.

"I fuck men I like," I replied.

They both looked at each other, then Henry smiled. "Do you like us?" he asked.

I smiled. "Yes, I like you both," I

'Connie knew she had me'

THE DIARY OF A PARK LANE RAKE

only more cut away, like ladies' track shorts, with a loose fitting cotton top. And that is the last I remember as she walloped me 6-4, 6-2, 6-1.

"You're not angry?" she said, with scarcely a sweat bead on her as she opened the door of the court for me, the loser, to pass through first, a perspiring, drenched wreck, breathing like a grampus.

"Not at all," I gasped. "A bloody good hiding is a bloody good hiding."

I was under the shower when she came in and joined me. I was not surprised, it seemed so natural. I looked at those cornflower blue eyes, and a body just as good as Connie's...I took her in my arms and suddenly Connie was not there any more. I found hidden reserves of strength, or stamina, created by the desire for something new and challenging...oh, *and* experienced.

She sucked me inside her like a vacuum-cleaner and kipssed with lips as soft as a fully ripe Victoria plum.

My head swam, and I wilted. I heard her chuckle inwardly, before she moulded her body even closer to mine. When I came, and my legs jellied, it had nothing to do with four hours on Old Softie *or* squash.

Connie was away when I returned to Park Lane. She was on a modelling assignment with one of the men's magazines to North Africa.

I felt peculiar in that I could not get Sheila out of my mind. She was easy, yet not a girl to be messed about. She did not actually *say* that. She did not have to. She was a do-er rather than a talker, with good looks, a brain, and sporting skill. My papa had obviously planned it all.

I hithered, I dithered; and I took Betty out from the hotel around the corner. Betty was always good in bed, but I knew it was just a change of oil, as she beavered away fantastically on top of me, with great expertise, and no hang ups. She is the greatest motor mouth I have met, besides having that ability to marry her own climax to her mate's.

NO DOGS
ALLOWED

"Can't you read?"

I hawed, I hummed, and then I picked up the telephone. Indecisive to the end, I was actually replacing it when Sheila's voice answered.

"Ah!" she laughed. "Now, let us see. Hugh dearest fancies Sheila like billy-o, but has decided to play it cool, 'old bean'. He has probably had a bash at the odd bird or two, just to see...But he can't get Sheila *out of his mind*, that is the problem..."

"Um..." I said, *very* flushered.

"Oh, lordie me, I'll see you Saturday evening at the Hunt Ball. *Or*...you might come earlier and help me change, just after lunch. I might have forgotten how to get into my ballgown, flutter my eyes and be helpless!"

"I thought we might make love in *bed* this time," said Sheila, kissing me throatily on the doorstep the moment I arrived. "Lots of people do, you know..."

As she took hold of me between the sheets I realised that, yes, I could see *her* twice a week for breakfast, and before Martins on Sundays, without any problem...once I stopped becoming so damned randy about her.

Sheila was physical but never coarse, even when she said dirty things in bed. She could also get away (get away?) with saying things to me that Connie would never have dared.

We ended up on the floor, having rolled over once too often on the bed with Sheila on top, and just about to realise a most magnificent climax.

"Er, what are your parents going to think about the noise?", I said, as we took yet another physical shower together, finishing off with ice cold water.

"My parents are going to think the same as the staff, which is: 'They have come to an understanding...'" Sheila replied, stepping into her ballgown as I fiddled with my white tie...

"Well, are you?" burbled Papa, when I drove over for lunch the next day before returning to London.

"Am I *what*?"

"Well, with the bloody Saunders gel?"

"I do not know, father," I replied.

Driving back to town in the Aston along the middle lane of the M4 I reflected, with a twinge of unease, that I was 'engaged' to Connie, and had an 'understanding with' Sheila: not bad for someone who basically

'Betty was always good in bed'

neither wished to be engaged nor understood by *any* woman.

Down the Cromwell Road, up to Lancaster Gate, and right by the French Embassy into the Park. I stopped at the lights at the right hand turn across Park Lane by The Dorchester. CONNIE! Oh Gawd!

I opened the door of the flat and there was Connie tripping along behind me, wearing a very mini mini-dress with short sleeves and a neckline that only served to accentuate her breasts even more.

I put down my weekend bag, gathered her up in my arms, and threw her on the bed, falling on top of her as she bounced up, sliding my hand under those tiny briefs. I whipped them off, just as she fished out my dick, and then I plunged it in, vaguely aware that she was beating my shoulders with her fists.

The beats subsided and then stopped altogether. "Wait a mo", she whispered, criss-crossing her hands across her body and removing the dress quickly...

Connie or Sheila, Sheila or Connie... why not Sheila *and* Connie? What a sensible solution, I told myself as we hit the highest spot together, as we usually did.

"Oh, shit!" said Connie, hurling me off her, and turning on her side.

"What's the matter?"

"Oh, something I've forgotten to do, that's all," she said, getting dressed without having a shower, which was most unusual for her.

As she put her skimpy things on I realized how vulnerable she really was and what a bastard I had been to her. Conscience got the better of me. The new situation could not go on.

"Connie," I said, "Don't go for a few minutes. I have something to tell you."

I told her quietly, sparing no details, about my interview with my father, his views, the invitation to the next day's Meet, meeting Sheila, and the rest.

"I'm not engaged, but there is what is called an 'understanding,' my love," I said, casting my hands wide in despair. "Whatever you might think, *and I am sure you are about to tell me,* I am not such a fool as to be cast off without a penny. It is not so much a question of love, as business..." I ended lamely.

There was silence: a murderous uncanny stillness. I could even hear the new 'fridge humming.

Connie looked at me, not unpleasantly, sitting opposite, crossing her legs, and flashing her wet knickers, smiling when she saw my predictable reaction rising beneath my trousers.

"Well, Hugh, I think your father is right..."

"Eh?" I replied, shocked.

"Yes. It might be 1989, but this is England. Class will tell in the end. Like *should* marry like..." Connie declared.

I did not believe what I was hearing. I sat there, mouth agape, like a loon, as she went on: "If we had married, your inheritance would have always come in the way because it would not have come at all. After you had got over the bravado of the moment, of telling Daddy to get stuffed, you would have resented it *and* me."

She stood up to go.

"Connie, is there someone else?"

"Well, yes, there is, Hugh. As a matter of fact we got engaged at the weekend. He's a dishy Frenchman who is going to become my manager as well as husband," Connie replied.

"Does that mean you have been *unfaithful* to me?"

"Not since I broke off our engagement..."

As the door closed I groaned. The best fuck I had ever had was walking down the stairs and out of my life for good. Still, a man could not have everything, and I could not really complain. The phone rang. It was Sheila. "Hello, I'll be there in an hour, so get her out before I come, there's a dear..." she said jauntily.

"She already went," I replied.

Fear not, Hugh soon forgets being spurned, and see how his new female fans get well and truly spermed in your next Park Lane...

BIG BABS IN PARK LANE!

told him, and then I think all three of us had the same thought at the same time.

What better way of bringing in the New Year than having a nice little threesome, two men and me? The more I thought about it the randier I became, and I could feel the front of my panties starting to get hot and moist again.

* * * * *

"*What a fabulous place!*" said Henry, as I took them both into my penthouse.

Yes, I had told them I wanted them, they had liked the idea, and I had *rushed* them round to Park Lane. Now I was showing them round my penthouse.

"Love the sunken bath," said Peter.

"That huge bed in the master bedroom is really something." said Henry.

"So you like what you've seen?" I asked.

"Sure do," they both echoed.

"Well, here's something else you might like," I said, and pulled my sweater over my head and thrashing it away into the corner of the lounge.

I wasn't wearing a bra, and so those two nice young guys were now looking at my naked boobs. What they saw made their eyes just about pop out of their heads.

"Wow!" exclaimed Peter.

"What a pair, what a pair," gasped Henry.

I lifted my tits up with my hands, using the tips of my fingers on my nipples.

> **'I'll do it anywhere,' cut in Peter'**

"Come and have a suck," I said, when my nipples grew really hard and stiff.

Those two hunks *raced* across the vastness of my lounge as I sat down in the armchair. Henry knelt by my left side, and Peter on the other side.

Both of them were now panting with lust. Henry leaned in and started to run the tip of his tongue over my left nipple. At the same time, he used both his hands on my left boob.

His fingers felt really nice on my flesh, and his tongue felt even better on my nipple. Then he took my stiff throbbing nipple right into his mouth, sucked on it very gently indeed, and the blood started to pound through every part of my body.

Peter watched for a second, then his hands went to my *right* breast. He lifted it, and sort of weighed it in his hands, then let the underpart of my breast ripple through his fingers. Next he squeezed, hard and yet gently, at my boob, which of course, made my nipple stick out even more.

Peter now moved his face really close, opened his mouth and took my rigid nipple inside it, then started to suck.

I just relaxed and let the thrills rush through me. Yes, it was sexual heaven to me: both my breasts being handled and fondled and sucked at the same time: two lovely young men sucking away at my boobs. Yes, sheer heaven!

> **'Sure, I've had two men at the same time before, but…'**

No the two men started to suck even harder. I threw back my head and yelled with sheer delight. This really was the best way possible to enjoy the start of New Year's Day!

When they stopped licking and sucking, I don't think my nipples had ever been harder or stiffer.

"Let's go to bed," said Henry.

"Let's do it here, on the carpet, in the lounge," I suggested.

"I'll do it anywhere," cut in Peter.

"Ah, a man after my own heart," I said, and bounded from the chair, took off the rest of my clothes, and then stretched out on my thick white carpet.

They stood there, looking down at me. I smiled up at them and opened my legs, then gave them a really nice New Year invitation.

I used my hands, or rather the tips of my fingers, to part my wet labia.

Believe you me, it *was* wet, for all that nipple sucking had really made my juices flow.

"What a cunt, what a *lovely* cunt," gasped Peter, as he stared down.

"Beautiful," breathed Henry, and knelt down and stared right the way into my open pussy tube.

This gave me a thrill – I love it when people look *inside* me, like that.

Now they stepped back, and undressed. I nodded in approval when I saw they both had very reasonable and workmanlike pricks: two nice thick poles. They would do me very nicely, thank you very much!

Quickly, they both got down onto the carpet with me. Peter seemed to have a thing about my tits, for he started to suck them all over again.

Henry, on the other hand went down where I was hoping he would go.

He went down on my pussy, and as soon as the tip of his tongue started to flicker and flutter over my vaginal flesh, a climax shuddered through my naked body.

Peter knelt by my side, and sort ►

'Then I took it even deeper'

of leaned his body over, so he could rub his hard cock all over my heaving boobs.

Now that was something I have always liked. I used my hands and pressed my tits upwards so my nipples would be stiff and rigid, and as the head of his cock touched each of my nipples in turn, so another wave of pleasure burst through me.

Henry's tongue, meanwhile, was doing the sort of things to my pussy that I really love. He was lapping up my juice, exploring the very depths of my tube, then sucking *hard*.

Finally, he stopped licking and sucking my pussy, moved up the carpet, and started to rub the head of *his* penis against my breasts.

So I had two cocks, hot and hard cocks, being rubbed over my tits, my huge tits, at the same time. No wonder I was a very happy young lady!

When they stopped and looked at each other, I supposed they were wondering how to carry on from there. So I sat up and made a couple of suggestions that seemed to go down quite well.

I bet you can guess what they were!

Henry went down between my legs and I stretched out again and positioned himself so that his penis head was just touching the pouting lips of my pussy.

At the same time, Peter came up to the side of my face, and sort of straddled my tits. Then he leaned in so the head of his cock was just touching the lips of my mouth.

So, the lips of my sex had a hot cock just touching them, and the lips of my mouth also had a hot cock touching *them*. I tingled with anticipation.

"Let's go," said Henry, and pushed his penis slowly into my pussy.

At the very same instant, Peter pushed his cock into my mouth.

Sure, I've had two men at the same time, before, but never like this. There was something really *special* about the way these two young guys were driving their cocks into me.

Henry's large thick penis filled my pussy, and then he settled into a series of slow, thrusting, powerful strokes.

He didn't rush, just powered in and out nice and easy, making sure that on each and every thrust, he went in as far as it was possible to go.

Peter's cock was in my mouth, and I flicked at it with my tongue. Then I took it even deeper into my mouth so the glans went a couple of inches down my throat.

I think he was surprised, and very pleased indeed, to find that I was an expert in that sort of 'deep throat' sucking technique.

Henry speeded up a bit, still not really rushing, but going just a little more rapidly now, then Peter started to use my mouth as if it were a pussy, thrusting in and out, with my lips holding his shaft tight as he did so.

I was really being fucked from both ends at the same time!

I have to admit that Peter's prick was a very tasty one indeed, and I was more than pleased he had decided to start in my mouth.

"All change," said Henry eventually, and slowly pulled his penis from my pussy.

"Yes, now *I'll* see what your cunt feels like round my cock," said Peter as he withdrew his prick from my mouth.

So, just like a football match, they changed ends at half time. Henry's cock was now close to my mouth, and I could see little drops of my pussy juice clinging to his throbbing shaft.

And Peter's cock, which was coated with my saliva, was now just an inch or so away from my pussy lips.

"Right," said Peter. "Let's go again." and then he slowly pushed his tool all the way into the depths of my pussy.

Henry's pussy juice covered penis then slid slowly into my mouth. And did I like the taste of a cock that had just come from my pussy?

You bet I did, and how!

Peter was shafting nice and fast and hard, in and out of my pussy, and my juices were bubbling away like mad. And at the same time, Henry was rubbing the head of his swollen glans all over the inside of my mouth.

They started to go faster and faster, and I started to climax repeatedly until in the end it was really impossible to tell when one orgasm finished and the next one started.

Henry started to shake, and I felt his glans expand deep at the back of my mouth. Then all of a sudden he exploded a hot gurgling stream of spunk into my sucking mouth.

The taste was fantastic, as the first hot wave of his sperm jetted into my mouth.

Then he did something I really appreciated. He must have known I would like it. While the spunk was still pulsing from his cock, he pulled that lovely prick of his out of my mouth and waved it about over my face.

'Peter was shafting nice and fast'

Thick drops of lovely spunk sort of showered down over my waiting face.

Then *Peter* shook and heaved, and shouted, and *his* cock spurted hot spunk into my pussy. He was shooting out even more than Henry!

Pretty soon my face was coated with spunk, and it was also dribbling from the corners of my mouth. I also had lots of the stuff inside my pussy, and as Peter carried on cumming, it started to drip from my pussy lips and soak into the carpet.

Peter finally pulled out, and wiped his cock on my belly. Then, while the two men rested on the carpet, I got up and rushed into my huge bathroom.

One of the bathroom walls is really just a mirror. I stood there just looking at my reflection, and I really loved what I saw.

I had spunk all over my face; I had it on my mouth, I had spunk on my thighs, and I had flecks of it on my pussy lips.

I smiled, licked my lips, wiped some of the stuff from my chin with my fingers, then licked my fingers, and I thought this really *had* to be the very best way of seeing in the New Year. Any New Year.

And just hear how Babs handled the New Year, when she really got into her stride. It's all in your next monthly *Park Lane.*

'Billy's good for three loads'

trim arse and hairs on his chest and a pair of balls with enough spunk in them to spray the car. Mmm!"

"Let me know when you've found him and I'll join you," I observed. "But he's not likely to turn up at Sarah's hen party, is he?"

"Don't you be too sure."

"What do you mean?"

"She's inviting a stud along. A guy called Billy the Bull. For those who fancy a bit of action and aren't too pissed to use it," Penny explained.

"A stud, eh?" She had captured my interest. "Tell me more, Penny."

She told me more. Like how Sarah had engaged an alternative comedienne, Maxine Climax, to make the party go with a swing, and how *her* act was to be followed by Billy's Grand Entrance.

"Who's Maxine Climax?" I asked.

"Just about the filthiest girl comic in the business," she said coolly. "Not excluding men. If you're revolted by jokes about shit and menstruation, stay away."

"Charming," I retorted.

"She's Billy's girlfriend, as a matter of fact. They'll be performing together."

"Do you mean *literally* together?" I asked.

"Oh, yes, he fucks her in full view. Then it's the turn of us lesser mortals in the audience. Anyone who doesn't mind flashing her fanny can get up there and use his cock, which is a whopper, by all accounts."

I was beginning to realise there was going to be more to this hen party than I'd imagined.

"But won't that wear Billy out?" I asked.

"Not on your life. According to Sarah, Billy's good for three loads a session. But he can save them up or let them go at will. He had fifteen women one evening, Sarah says. The lucky ones – the ones who got the squirts – were 5, 10 and 15!"

"Is that how he makes his living?" I asked.

"More or less. Though Sarahs's will be a fun do as far as he's concerned. To oblige an old friend. In the normal way, he keeps rich bitches happy at two hundred guineas a night. Always insists on *guineas*, does Billy. Says it's more professional!"

This amusing thought sent us both into a fit of the giggles. I had quite made up my mind to attend Sarah's party. I didn't know her very well, but Penny knew her better, and her invitation had included me, as her flatmate.

So we both turned up together on the evening appointed. Sarah, a dark-haired beauty in her mid-thirties, was not short of a bob or two.

The man she had married, and was now divorcing, had left her this lovely, sprawling mansion flat as part of the settlement.

It had enough rooms to house an army of guests if need be. The big one on the ground floor, in which a number of girls were already chatting and getting some drink inside them, was laid out with tables and chairs, cabaret-style, with a raised platform at one end to serve as a stage.

"Enjoy yourselves, kids," said Sarah, filling our glasses with our chosen tipples, in my case Bacardi and coke. "Let the good times roll, eh? Do what somes naturally."

What seemed to come naturally to most of those present was run down the men. The party was held, after all, to celebrate a divorce, so the male sex in general had a pretty rough time of it from the barbed tongues of the

'It did not, could not, go in all the way'

THE PARK LANE NYMPHOMANIACS' CONVENTION!

guests.

The room was by no means overcrowded when all the guests had arrived. There were about twenty of us in all, but we clapped enough for fifty when the great Maxine Climax took the stage for her act.

She was a *very* well-built lady with green hair, made up to the nines, with green stockings and a microskirt that barely covered her large, swaying bum.

"All right, girls?" she roared. "Sitting comfortably?"

"Yes, Maxine," came the concerted response.

"Good. Then I'll begin. What do we think of men?" And she held up a large Placard bearing the one word: SHIT.

"Shit!" we all cried in unison.

Maxine let off a loud fart to indicate her opinions of men. "Mind," she added, "I must put in a good word for Billy. He'll be along later. He's as thick as two short planks. But his *prick!"*

Whistles were heard from all parts of the room in tribute to Billy's member.

Maxine continued: "Let's face it, girls, we can all use a good prick, can't we?" ("Not half!") "But half the men don't know what it's for, do they?" ("You can say that again!") "Like this bookworm who's reading a book in bed. He slides his finger down to his wife's cunt. 'Ooh, does that mean you're going to make love to me at last?" she says. 'No, I was only wetting my finger to turn the pages over.'" ("Chavinist pig!")

After this fairly mild opening, Maxine really got into her stride. Soon her jokes made Billy Connolly's look like a vicar's sermon, and they were all accompanied by bodily movements to suit the text.

Her hand went inside her microskirt, where she appeared to be tossing herself off. She sat down on an imaginary loo, wanked an imaginary cock, fluttered her eyelashes to let us know it was a monster, and went through the motions of being sucked off.

Then Billy appeared behind. A great hulk of a man, stripped to the waist, with black hairs on his chest. Skintight pants, with a large bulge.

"Well, what do you know?" cried Maxine. "Here comes the real thing! Where have you been hiding yourself, Billy? Having a craft wank while I've been doing all the work?" (A shamefaced hanging of the head from Billy.) "What do we think of him, girls?" (Holding up a placard bearing the word: BASTARD.)

"Bastard!" came the chorus.

"Time for action, Billy boy." ("Gerremorf!") You heard what the ladies said, Billy. Get your prick out and let their tired eyes see what you've got. What, shy? Shall I give a lead, girls?" ("Yes, you give a lead, Maxine.")

Maxine, who had up to now been simulating all her acts, swiftly yanked down the flimsiest pair of knickers you ever saw in your life and tossed them down into the audience.

They fluttered onto the table I shared with Penny. For some reason or other, I picked them up and sniffed them. Them smelt strongly of cunt. And there in front of me was the article itself: a large hairy puss, sending sticky juice in rivers down her fleshy thighs.

"You there," – she was addressing me – "you've had a good sniff. What did they smell of?"

"Cunt," I replied, and there was a general cheer.

"Cunt." Billy spoke for the first time. "Cunt. *Goody-goody!!"*

"Show us your prick," yelled the ladies.

"You'd faint," Billy retorted.

"Try us."

He tried us. And no one fainted, though my guess is that a few came pretty near. Not for nothing was he named Billy the Bull. "I'm the Ruler," he proclaimed proudly.

"Ruler," said Maxine, producing one. "I've got one here." So saying, she laid it along the length of Billy's stiff weapon. "Twelve inches! What do you think of that, ladies?"

Replies came in various forms, all having in common the fixed belief that the ladies had never seen anything like it in their lives.

"Think I can't take it, don't you?" roared Maxine, and the sentiment seemed to attract general agreement. "Right, I'll show you."

And show us she did. Thrusting her bare arse out challengingly, she invited Billy in from behind. Inch by inch, her gaping cunt swallowed the monster.

Among the more printable comments from the ladies were: "Give it her hot and strong, Billy..." "Fuck the shit out of the bitch..." "Shag her from arsehole to breakfast time."

"What do you think of it so far, Tracey?" said Penny.

"I think," I replied after due deliberation, "that I want Billy to shag *me* from arsehole to breakfast time."

"Don't worry, you'll get your turn. Sure you don't mind performing in public?"

"I never tried it, but I'm game. I don't mind flashing my cunt, if it comes to that. The audience have all got ones of their own, so it'll be no novelty!"

"Billy fucked Maxine for about ten minutes, but was careful not to come. He still had a night's work ahead of him, as he well knew.

His little performance was terminated by a tap on the shoulder from hostess Sarah who was bent on claiming hostess's rights.

"My turn now," she said firmly. "I'm the one who's getting divorced, right?"

"Your wish is my command, madam," said Billy, as if he had been rehearsing the speech all evening.

Like a striptease artiste, with every move carefully calculated for effect, Sarah discarded her garments one by one, till her wonderful willowy body was exposed as nature had made it.

Her bush stood out in a crisp triangle, and her tits were pointed slightly upwards. I wondered just how she was ever going to take Billy's gigantic prong.

Squatting on her haunches, Sarah gave it a preliminary suck, savouring the juices from Maxine's cunt. Then Maxine fetched cushions and sprayed them over the stage, and Sarah sank down on them and opened her legs wide.

Some of the girls in the audience, including Penny, were openly masturbating. I even saw one of them, in her

Maxine acted as Mistress of Ceremonies, widening Sarah’s slit with her fingers and guiding Billy’s rampant tool to the mark.

It did not, could not go in all the way, but Sarah managed to take about eight inches without too much difficulty.

A perfect frenzy of masturbation was now the order of the day. Everywhere, waving crotches were being lashed into a lather by busy fingers. It was like a convention of nymphomaniacs. And I wondered what Sarah’s husband, lately the partner of her life, would have said if he had known to what uses the mansion was being put.

And still Billy did not come. He fucked Sarah in four or five different positions, and his tool remained as stiff as ever.

In the end one of the guests, a large-bummed lady of indeterminate age, took her place, and the fucking recommenced.

Several partners had come (yes, *literally*) and gone before Billy, with a nod in the direction of Maxine, pulled his cock out of the vagina it happened to be occupying at the time.

“He’s ready for first squirt,” she proclaimed. “It’s all external tonight. Any volunteers?”

I had meant to stay where I was, but Penny mischievously pushed me forward onto the stage.

“Stumbling, I landed on my bum, looked up, and saw this huge juice soaked dong above me.

“One – two – three – go!” called Maxine, and on the last word a tremendous squirt of jism caught me full in the face!

A great cheer went up, as if someone had just scored the winning goal. A second spurt followed, then a third, and there I was, sitting on my bottom with Billy the Bull’s first squirt (amounting to three distinct spurts and a little bit over) dribbling down from the corners of my mouth.

Then, exit Billy for a rest between rounds. And Maxine Climax once again took centre stage, this time to give an exhibition in the refined arts of advanced masturbation.

I won’t go into detail, but suffice it to say she almost turned her pussy inside out when she peeled back the lips. And her performance was punctuated by a flow of the filthiest talk I ever heard from human lips.

To say Maxine had a mind like a sewer would be to give the sewer equal billing; and Maxine’s mind was much filthier.

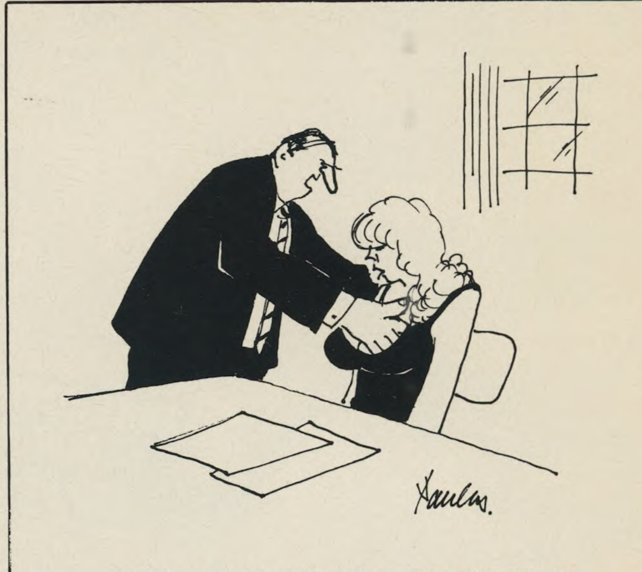
Fifteen minutes later, Billy was back in action. If anything, his cock was in even better fettle than before.

Guest after guest came up to be serviced, and he was already approaching his record of fifteen when he released his second squirt. This time, with great artistry as I thought, he directed it in a swinging arc over several faces, diffusing the benefit I had formerly received as exclusively *mine*.

His second rest between rounds was devoted to general conversation. Whether Maxine had run out of ideas or merely wanted a rest herself I do not know, but she had certainly given full value for money already, so no one was disposed to complain.

The third session saw Billy’s record broken.

Mostly, due to the sheer length of his tool, he achieved only partial penetration, but the fact is that he notched up a score of twenty before giving Sarah herself his third and final squirt.



“Just a spot of insider dealing, Miss Titworthy...”

So ended a memorable evening, crowned by a final rock song from Maxine which went something like this:

Billy the Bull, Billy the Bull,
Fucked all the girls and filled them up full.
Bully for Bill, bully for Bill,
If there’d been any more he’d be fucking’em still.

Back at our flat off Park Lane the following evening, I had a caller.

“Hi, Jason,” I said. “Come inside and take the weight off your feet. I wasn’t *expecting* you, was I?”

“No, Tracey,” he said. “I know I was supposed to keep my cock to myself until the Big Event, but I can’t seem to keep it down no matter how much I wank.”

“Oh, all right,” I said. “Penny’s out for the evening, so I daresay I’ll ease that swelling for you.”

Jason’s is nowhere near as big as Billy’s. But then again, when it’s a matter of those long winter nights and summer evenings in the future, who wants monsters?

Jason fucked me with a mixture of tenderness and vigour, and I was sure I had made the right choice.

“Well, Tracey, darling,” he said, smoothly removing his cock from my orifice and wiping it on my tummy. “All ready for the great day, eh?”

“Absolutely, Jason. No regrets,” I replied in answer to my fiancés question.

“I’ve got the stag party all organised for the eve of the wedding. There’s an alternative comedian lined up to make the proceedings go with a swing. Any objections? He’s called Max Climax, it seems. Ever heard of him? He has a sister, I believe,” he added vaguely.

“*Never!*” I replied and kissed him. “And I suppose I’ve no objections....”
